Product Collection

How It Works

At Surrey Ceramics, we offer a unique service to the catering industry. We operate a 'pick and mix' system which allows you to create bespoke tableware that compliments and enhances your restaurant.

With over 200 products and more than 20 finishes to choose from, there are more than 5000 possible combinations.

Once you have chosen your products, choose your finish from the separate glaze cards. You have complete freedom to mix and match shapes, styles and colours to create the perfect tableware collection.

Whatever your requirements, we can work with you to find a solution that ticks all the boxes. We don't offer off the shelf plates - instead, we give you the opportunity to create something unique.
